Get acquainted with Cyprus wines

**CYPRUS
WINE
ROUTES**

The Cyprus Tourism Organisation invites you at the Wine Month.

Get to know our wine tradition through excursions and enjoy Cypriot wine.

Within the framework of the “Wine Routes” programme which has been implemented by the Cyprus Tourism Organisation and co-funded by the European Structural Funds, 7 alternative routes have been designed and sign-posted offering you the opportunity to experience the Cypriot hospitality and to introduce yourself into the world of wine.

Visit the wineries and taste their wines. Explore the Cypriot countryside and enjoy the unique dishes of the Cypriot cuisine in traditional taverns and restaurants.

Follow the signs bearing the logo of the Wine Routes project and get ready for a unique experience.

For further information please refer to the Cyprus Wine Routes ebrochure in the CTO website www.visitcyprus.com.

Wine routes excursions
