

### **Cyprus Deputy Ministry of Tourism – Conference Tourism de Minimis Declaration in the context of EU rules on de minimis aid**

It is a requirement of the European Structural Funds regulations that we ensure that we comply with the state aid rules.

The assistance you are being offered is being given under the European Commission's State Aid regulations. This allows a company to receive up to **€200,000** of De Minimis state aid over a rolling three-year period.

To confirm that you are able to receive this assistance you must therefore declare the full amount (if any) of De Minimis aid you have already received over the last 3 fiscal years.

Should you have any doubts on this matter, please contact the body from which the assistance was received.
