Each taxi driver has a legal obligation to use a taximeter throughout the journey and provide a receipt, should the client request this. The receipt should state the date, the registration number of the taxi and the driver's name

In order to ensure that taxi passengers are offered a consistently high quality of service, the Department of Road Transport has a team dedicated to dealing with customer complaints.

If you feel you have cause to complain about a taxi driver or vehicle you should call 22807000 between the hours of 08.00 and 15.00, Monday to Friday, or send and email:

roadtransport@rtd.mcw.gov.cy

If you need to place a complaint outside these hours you are advised to contact the nearest Police Station or call 1460.
